Hello Mr. Dennis Wilson,

**As part of this agreement, Nick Humbert will perform all of the following services:**

- 1) An analysis of all available assessment data or instructional data for each student compiled to show school wide outcomes as well as disaggregating outcomes by student groups whenever possible. Assessment data or instructional data may include but not be limited to: school assessments, NWEA, ISR, ISAT, ACT, ACT ASPIRE, PSAT, SAT, AP and any other exams.**

a) Exams can be disaggregated by:

1. Special Education Designation
2. ELL Status
3. Economically Disadvantaged
4. Ethnicity/Race
5. Graduating Class
6. Onboarding Date
7. Departure Date
8. Sectional Analysis on the Exam (Reading, Writing, Math, Science, etc.)
9. Others to be determined by the data

- 2) These exams will include**

A multiyear analysis of enrollment and performance on any exams and class coursework can also be included. Statistical analysis will be generated to determine relationships between any tests and academic outcomes of students.
